Contributed by Stephanie Harawira as Site Super Administrator

The Ezekiel 33 Trust is vigourously working towards bringing you a 3 day long Waitakere Family Carnival at Harbour View Park, the people's park, on the Te Atatu Penninsula, from the 13th to 15th April 2007. We are aiming to having a pumping stage, and plenty of amusement machine rides on hand.

Performers, sponsors, participants, stall holders, please get in touch now. This will be a great opportunity to promote services, products, brand and topic awareness, establish contacts and network. If you have someting positive to contribute to the community then please contact us ASAP, so we can make it happen for you.
