Taiawa Harawira have been married 15 years and has raised 11 children and 5 grandchildren. Tai's heartbeat is to serve in the community at grassroots.

For the last 20 years Tai has been assisting non-profit organisations in building their infrastructure, developing links with other groups and raising their profile & services in the communities, as well as running their own community based programmes.

As the needs of the community have increased, so also has the need to establish their own Trust in which to bring these support networks under, hence, the establishment of Ezekiel 33 Trust in 2004.

Taiawa's Testimony:

Born and raised in Avondale, Auckland by a staunch well known Maori family. Tai has lived a very colourful life enslaved in drugs, and violence.

Taiawa became a Christian 20 years ago while serving a prison term at Paremoremo Prison !
